

EDITOR IN CHIEF (2025)

Corrella (Corrie) Detweiler
University of Colorado Boulder
Specialty: Microbial pathogenesis

Patrick D. Schloss, *Chairman, Journals Committee*

Stefano Bertuzzi, *Chief Executive Officer*

Melissa Junior, *Director, Journals*

Charles Brown, *Production Editor*

Michael E. Lerman, *Assistant Production Editor*

Laurie Webby, *Editorial Coordinator*

EDITORS

Orna Cohen-Fix, *Editor* (2021)
NIH, NIDDK

Specialties: Cell cycle regulation, nuclear architecture, yeast genetics

Richard J. Kuhn, *Editor* (2022)
Purdue University

Specialties: Structural biology, virology

Melissa B. Lodoen, *Editor* (2023)
University of California, Irvine

Specialties: *Toxoplasma gondii* pathogenesis, innate immunity, inflammation

Stanley Perlman, *Editor* (2024)
University of Iowa

Specialties: Viral pathogenesis, coronaviruses, emerging viral infections

Kumaran S. Ramamurthi, *Editor* (2025)
National Cancer Institute, National Institutes of Health

Specialties: Bacterial cell biology, cell division and morphogenesis, subcellular protein localization

Federico Rey, *Editor* (2025)
University of Wisconsin

Specialties: Interactions between gut microbes and diet, gut microbiome and cardiometabolic disease

Amy Schmid, *Editor* (2025)
Duke University

Specialties: The physiology of archaea, microbial stress responses in extremophiles, interactions of molecular networks within free-living microbial cells

Gregory Stephanopoulos, *Editor* (2021)
Massachusetts Institute of Technology

Specialties: Metabolic engineering, synthetic biology

Michael G. Thomas, *Editor* (2023)
University of Wisconsin-Madison

Specialties: Natural product biosynthesis, metabolic engineering, microbial physiology

Blanton S. Tolbert, *Editor* (2025)
Case Western Reserve University

Specialties: Structural biology and biophysics of RNA virus-host interactions

Kathleen K. Treseder, *Editor* (2021)
University of California, Irvine

Specialty: Fungal biogeochemistry

Julia A. Vorholt, *Editor* (2024)
ETH Zurich

Specialties: Microbial physiology, phyllosphere microbiology, one-carbon metabolism

Microbiology and Molecular Biology Reviews considers for publication both solicited and unsolicited reviews and monographs dealing with all aspects of microbiology.

Presubmission inquiries should be submitted electronically at <http://mubr.msubmit.net/>.

Correspondence regarding editorial matters should be addressed to the Editor in Chief, Corrella Detweiler, Molecular, Cellular, and Developmental Biology, 347 UCB, University of Colorado, Boulder, CO 80309; phone: (303) 735-2956; email: detweile@colorado.edu.

Microbiology and Molecular Biology Reviews (ISSN 1098-5557) is published quarterly (March, June, September, and December), one volume per year, by the American Society for Microbiology (ASM), 1752 N St., N.W., Washington, DC 20036-2904.

Microbiology and Molecular Biology Reviews became an online-only journal with Volume 80, Issue 1 (March 2016). The final print issue was Volume 79, Issue 4 (December 2015). Previous print ISSN: 1092-2172.

Instructions to Authors are updated throughout the year. The current version is available on the journal website. For subscription prices, contact the Subscriptions Unit, ASM (asmjournals@subscriptionoffice.com). Correspondence relating to reprint orders should be directed to ASM Author Services (ASM.AuthorServicesSupport@cenveo.com), and correspondence relating to disposition of submitted manuscripts, proofs, and general editorial matters should be directed to the Journals Department, American Society for Microbiology, 1752 N St., N.W., Washington, DC 20036-2904. Phone: (202) 737-3600 (see <https://journals.asm.org/content/contact-us>). ASM policies for permissions, commercial reprints, and ePrints can be found at <https://journals.asm.org/content/permissions>.
